## **Admission /Vaccination Requirements**

Since the health and wellness of every Grinnell College student is of the utmost importance, the college has several health compliance requirements that all incoming students are required to meet. All first year students **MUST** complete the required health forms and submit them to Student Health and Wellness (SHAW) by July 15<sup>th</sup>. Students will not be able to register for classes until all forms and immunization requirements are submitted and complete.

### **To access the required health requirements:**

- The forms may be accessed at: <https://shacscom.grinnell.edu/>. Enter your Grinnell College email username (without @grinnell.edu) then enter your Password.
- Go to the Medical Clearances tab. The health requirements are submitted one of three ways. Some are forms within the Medical Clearance that you will complete and submit; others you will download, print, and complete with your healthcare provider and then upload; and other are just items that you will upload.

### **Items Required for Medical Clearance:**

- Health History** – Read this form carefully, please enter all known allergies, medications, and personal health history. Click the done button at the bottom of the screen when all items have been completed. All sections must have an entry in order to be compliant.
