AUDIT REGISTRATION INSTRUCTIONS for NON-DEGREE SEEKING STUDENTS

Your signature on the preceding form indicates that you have *read, understand, and agree* to the requirements and guidelines detailed on this instruction page for non-degree seeking students requesting to audit Grinnell College courses.

Contact the Office of the Registrar at 641-269-3450 or registrar@grinnell.edu with questions.

Requirements and Guidelines:

- Registration is required to audit a course at Grinnell College.
- Grinnell College alumni, faculty (including SFS, Emeriti, and Language Assistants), staff, spouses and domestic partners of faculty or staff, and community members that are 65-years-of-age and older are eligible to audit courses at Grinnell College. All others may audit only music performance ensembles (MUS-101). **You will be asked to verify your eligibility at the time of registration.**
- The ability to audit a course is available only with the instructor's approval and on a space available basis and may be revoked at any time.
- There is no tuition charge to audit courses at Grinnell College, however, additional fees for materials may be assessed.
- The audit option is not available for every course, nor for individual study work in any form (Plus-2, 297, 299, 387, 397, 399, and 499), including group independents and internships (300).
- Audit registration requests are only accepted during the In-Person Add/Drop Period at the start of the term. Audit registration requests must be submitted by the last day to Add/Drop courses for the term. Deadlines are available on the Registrar's website.
- After the Add/Drop deadline, audits are irreversible – an audit may not be changed to for-credit registration.
- Individual faculty members determine their own course requirements for auditors. Consult with the instructor about course requirements and expectations for participation prior to registration.
- While no academic credit is granted, a grade of "AU" is recorded on the Grinnell College transcript for each audit satisfactorily completed. Unsatisfactorily completed audits are not recorded on a student's transcript.
- Non-Degree Seeking Students auditing a course at Grinnell College will NOT be assigned a Grinnell College email address nor a faculty advisor. They will, however, be issued a Pioneer One-Card (P-Card) as well a network ID and password to access Grinnell College library materials and online course environments/student services, respectively.
- Approval of a request to audit a Grinnell College course does not constitute admission to Grinnell College. If you are later officially admitted to Grinnell College and matriculate as a degree candidate, audited courses will appear on your official transcript but will not be applied as credits toward your degree.
- All Grinnell College policies and procedures, as detailed in the Academic Catalog and Student Handbook, apply to auditing Non-Degree Seeking Students. Please note that it is the student's responsibility to read, understand, and abide by these policies and procedures.

Request Process:

1. Fill out this form and contact the instructor. Discuss the instructor's expectations for participation.
2. Obtain the signature of the instructor and supervisor (if a current Grinnell College employee; this does not include degree-seeking students employed by the college).
3. Submit your completed form to the Grinnell College Office of the Registrar by the last day to Add/Drop a course for the term. Audit registration forms are not accepted until the start of the term. Deadlines are available on the Registrar's website.

5. You will be issued a Pioneer One-Card (P-Card) which will provide you access to Grinnell College library materials. Make an appointment to receive your P-Card by emailing whitakerl@grinnell.edu or calling 641-269-3661.
