WE is a movement that brings people together and gives them the tools to change the world. Our unique family of organizations, WE Charity and ME to WE social enterprise, empower people at home and around the world.

At WE Charity, we empower change with resources that create sustainable impact. We do this through domestic programs such as WE Schools, and internationally through WE Villages. Our WE Villages program is active in 8 developing countries, focuses on creating a sustainable model of international development.

At ME to WE, a social enterprise, we create products and experiences that allow people to do good through their everyday choices. Half of all ME to WE profits are donated to support WE Charity, while the other half is reinvested to grow the mission of the social enterprise.

Being empowered to change the world is what the WE Movement is all about and that's why we are so excited to extend the opportunity for you to join us on a ME to WE Trip to the Amazon Rainforest in the summer of 2017. The Grinnell College Travel Scholarship will cover your entire program fee, including flight costs (please note this includes departure and arrival from NYC - John F. Kennedy Airport).

To apply for this experience of a lifetime, please answer the following questions in a **maximum of 250 words each**. Please send your completed application to kendra.hinds@we.org by no later than the **17th of February, 2017**.

Best of Luck!
